

Engagement CIVIC FORUMS

2009-2010 GCU Empowerment for Georgia Youth

Why Us?

Georgia Close Up is a nonpartisan, nonprofit educational organization, which encourages responsible participation in the democratic process through educational programs in government and citizenship. Georgia Close Up is committed to developing new and better ways for young people, teachers, and citizens of all ages to gain a practical understanding of public policy. They learn how this affects their lives and in turn how they can effect change.
